THE CREW

INTRODUCING THE OWNERS AND CREW ABOARD KNOT 5280,
CAPTAIN JOE AND CHEF/FIRST MATE HOLLY

Joe is a US Coast Guard certified captain. Joe loves hosting families and sharing his love of adventure and water activities. Joe is always willing to share his knowledge of sailing if you want to learn the basics while aboard Knot 5280. Joe is CPR and First Aid Certified.

Like any good story, Joe's interest in sailing started with a few drinks and a good friend. Dave Ciesla and Joe attended a boat show in Denver in 1991, and signed up for sailing lessons. After completing the beginning ASA courses, Dave bought a sailboat and the two of them started spending their nights and weekends racing on the various mountain reservoirs around Colorado.

In 1993 in need of a vacation and some beach time, Joe booked his first trip through SunSail/Moorings to the British Virgin Islands. During that trip Joe fell in love with the beautiful islands and for the next 27 years he sailed as often as possible and amassed a knowledge of the Virgin Islands not available with most local charter captains.

Joe and Holly met in 2003 when Holly started working at the same commercial real estate company as Joe. Eventually a friendship developed and they started dating in 2010 and married in 2014.

JULIA

Holly was born in Las Vegas, Nevada and spent her childhood in Pahrump, Nevada a very small town on the California/Nevada border. Her formative years went by in southern Utah before her parents moved to Denver, Colorado in 1999. Holly has called Denver home ever since; her family has since moved back to Pahrump, and she visits them as often as possible. Holly's grandmother was a professional chef and her mom has a passion for baking; Holly spend her childhood in the kitchen learning family recipes infused with southwest flavor. Her home was the place where everyone gathered, and Sunday dinners became a large affair filled with friends and family.

Holly is a competent crew member and partner to Joe during charters. To prepare for her role as chef, Holly studied privately and online to take her cooking skills to the next level for charter guests. Holly understands how valuable your time off is and takes her job creating a vacation experience for your family seriously. Holly is CPR and First Aid Certified, she also holds her STCW.

Holly and Joe were so fun! They took great care of our family on our day charter. Even though I sprung a last-minute dietary restriction; Holly still managed to make an incredible lunch! We can't wait to come back and spend a few nights on Knot 5280. The Ball Family

REVIEWS

What an amazing experience on Knot 5280. Holly and Joe were incredible hosts that found the perfect balance between relaxation and activity for our active family of 4. The happy, energetic personalities were contagious to everyone on the boat. They knew the islands so well and had great suggestions for hiking, snorkeling and exploring. Joe's knowledge of sailing was beyond what I expected – he was a patient and kind teacher and we all left with a new love for sailing. Thank you so much for a great family vacation! The Glass Family

REVIEWS

After a week on Knot 5280, the hardest part was saying good. You made our big Caribbean Thanksgiving dream come true. We were so impressed by your calm, non-stop attention to detail and customer service. You never stopped working hard for us so that our vacation would be tremendous. Holly was an amazing host that planned meals that fit our tastes and planned the days around our wants and gave some great suggestions. As owner/operators I felt like Joe and Holly went above and beyond to make sure everything was absolutely wonderful. The Cornelius Family
